A horizontal sequence of seven square boxes, each containing an 'X'. To the right of this sequence is a question mark, all contained within a single horizontal line.

The image shows a horizontal sequence of ten identical groups. Each group consists of four small black squares arranged in a 2x2 pattern. The groups are separated by small gaps. Below this sequence is a question mark, also composed of four squares in a 2x2 arrangement.

The image shows a horizontal sequence of geometric shapes. It consists of two groups of five triangles each, separated by a small gap. After these, there are two squares side-by-side. Following the squares are three more groups of five triangles each, also separated by gaps.
